IN THE NEWS: DIGIACOMO HOMES WINS 2012 ROMA AWARD

DiGiacomo Homes Wins 2012 ROMA for "Drop Zone" Space

Apparently moms aren't the only ones who love an organized space. The Golden Valley "drop zone" featured in our May e-newsletter was awarded a 2012 ROMA (Remodeler of Merit Award) June 28th at the 31st annual ROMA ceremony in St. Paul.

ROMAs, issued by the Builders Association of the Twin Cities, are a bit like the Oscar Awards - lots of pomp and ceremony, creative project submissions, and a hand-picked team of judges. This year there were 85 ROMA entries. [One winner was selected in each of 17 remodeling categories](#) ranging from kitchen makeovers to exterior renovations. If you missed the May e-newsletter or want to take another look at the award-winning "drop zone" space which includes coat lockers, a home office and loads of storage just off the garage entry, check out the first two photos in our [storage and organization photo gallery](#).
