HOUZZ References DiGiacomo Homes in Two Recent Articles!

DiGiacomo Homes was referenced in two recent HOUZZ articles. The first, [10 Ways to Enjoy Your Outdoor Room More](#), presents idea for designing, building, and decorating new or existing outdoor spaces. The fountain from our [2013 Green Dream Home](#) was included in the article as an example of how to turn unwanted noise from neighbors into a peaceful garden backdrop.

The second HOUZZ article, titled [To-Dos: Your June Home Checklist](#), describes upgrades and maintenance items to help keep your home looking its best. Suggestions include everything from repainting and cleaning out gutters to fixing fences and organizing summer "toys". The crisp white and cool gray exterior from our [2013 Green Dream Home](#) kicks off the article as a source of inspiration.

Since being posted five days ago, the Green Dream Home photo (pictured above right) has been added to more than 1,000 HOUZZ idea books. We so enjoy reading viewers comments - here's just a few:
