## EVENTS: HBA HOME TOUR

### "Modern Meadow" Home Welcomes More than 1,100 Visitors

The "modern meadow" home in Golden Valley was a big hit during *AIA Homes by Architect* event this fall. More than 1,000 visitors toured the 2,800 square-foot home September 26-27 -making it the second most popular home on tour.

What was the appeal? Visitors said they were drawn to the organic modern aesthetic and the home's modest size. Heated **concrete floors**, floor-to-ceiling **windows**, **crisp colors**, **rich textures**, an **oak barn door**, and a linear **outdoor fireplace** were counted as favorites.
