MN DESIGN/BUILD REVIEW

Warmest Holiday Wishes from DiGiacomo Homes!

We extend a sincere thank you and warm wishes to all of our clients and friends this holiday season! In particular, a very special thank you goes out to one of our Golden Valley clients for inviting us to remake and photograph their lovely home - simply and tastefully adorned with fresh greens above. The home was given a full exterior makeover - a new wrap with all the trimmings: Marvin window and door openings, stucco siding, cedar accents, bronze metal trim, and new lighting all around. This once tired, 1960s modern (below) now sits proud among snowy firs making for a very merry package indeed!
