DESIGN/BUILD REVIEW

VOLUME 18, ISSUE 10

## DIGIACOMO HOMES NAMED ONE OF MINNESOTA'S BEST CONTRACTORS!

General Contractors Magazine, a national non-profit organization, independently reviewed 80 award-winning remodelers and builders to create a short list of what it considers Minnesota's best of the best. Using third-party criteria, the magazine identified and selected what it considers the state's top contractors from 2018. Selection criterion applied by the magazine included: project scope, history and longevity, client reviews, industry awards, recommendations, and licensing. In the article, "[The Best General Contractors in Minnesota](#)", DiGiacomo Homes was named 7th in the state for its commitment to timeless aesthetics, quality craftsmanship, client satisfaction, and top honors among industry design-build award competitions. We are humbled to have been named and extend a warm congratulations to the other firms identified.
