DESIGN/BUILD REVIEW

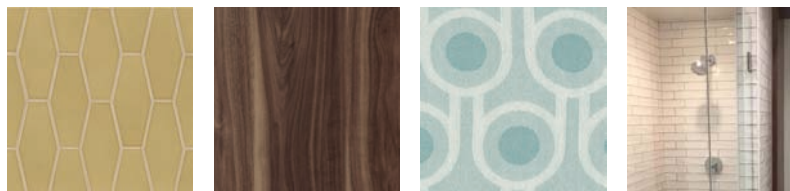

VOLUME 18, ISSUE 4

## COLOR BLOCKING FOR SPRING

Valentino's Spring 2018 Couture color blocking collection inspired our latest master bath project. Fashion is often the inspiration for interior design - leading by a season or two. The fashion forward mantra has become "design forward" and we always love looking ahead, especially when clients share our passion for trying something new. Our picks for this client's new master bath: Walker Zanger Lemongrass Hex tile paired with natural walnut, textured 3X12 subway field tile and vintage peacock blue fabric.

Look for photos from the completed master bath later this summer and [contact us](#) to add a flash of color to your next project!
