DESIGN/BUILD REVIEW

VOLUME 19, ISSUE 1

PEEK INSIDE THIS SWEET NURSERY MAKEOVER

This charming nursery is dotted with elephants and as cozy as can be. Past clients are expecting their first baby this month and invited us to remodel an unused guest room into a nursery. It's been a while since we designed for a baby (our own daughter is 19 and off to college) so this request came as an absolute delight! The mom-to-be asked for a predominantly gray-white palette. We introduced a touch of blue for contrast and added a bit of texture using sheepskin rugs and embroidery. The final room decor features:

- * Custom white embroidered light diffusing curtain panels;
- * Custom black-out plaid curtain panels;
- * Custom crib skirt to match the curtain panels;
- * Custom velvet blanket and pillow from [Bella Notte](#);
- * Convertible crib with long-wearing satin finish;
- * Convertible changing table with long-wearing finish;
- * Custom glider and ottoman with Crypton(TM) fabric;
- * Round acrylic side table (no sharp corners);
- * Polished chrome reading lamp from Ralph Lauren;
- * Linens from [Petite Pehr](#) and Restoration Hardware;
- * Custom 4X8 area rug; and
- * [Fiber seal\(c\)](#) on all upholstery and area rug

We hope mom, dad and baby enjoy their new space as much as we enjoyed designing it!
