FRESH KITCHEN MAKEOVER FOR SPRING

Tired of the snow? Perhaps a fresh kitchen makeover is just the thing to kick those winter blues. The space pictured here was remade by enameling existing cabinets in a soft mushroom color and adding: new hardware, limestone countertops, matte glass backsplash tile, stainless plumbing fixtures, glass lighting fixtures and linen roman blinds. It's an entirely new look and one that is ready to welcome the warm weather ahead. Begin the design phase with DiGiacomo Homes now and you'll be celebrating a new space by mid-summer! DiGiacomo Homes offers the first design consult in your home at no cost. [Contact us](#) to learn more!
