

Join Us at the 2013 Green Dream Home Beginning Saturday, March 2nd!

Our latest demonstration home has been named [Green Dream Home](#) of the year by the Builders Association and we can't wait to share it with you! Beginning March 2nd, the home will be open for tours as part of the Spring Parade of Homes.

We've taken our usual care with every detail in this 4,400 square foot dream home - from the **functional floor plan** and **green engineering** (solar panels and geothermal systems) to the handy **iPhone-controls** and selection of **timeless finishes**. Everything you've come to expect from DiGiacomo Homes & Renovation. In addition, we're introducing two new features:

Age-in-Place Design. This home is designed for future use by a disabled and/or aging homeowner. Features include no-step entries, an elevator shaft, wheelchair-width doorways and passageways, lever handles, and an independent health aide/caretaker suite on the lower level (living room, dining room, potential kitchenette, bedroom, and bath).

Refined Outdoor Living. Tucked amidst a natural screen of fir trees on ¼ acre in Tyrol Hills, the home's main floor opens to a cozy screen room, NY Bluestone patio and landscaped yard. This outdoor space becomes fully integrated with the home layout via a roll-up screen and 12-foot wide bi-fold door.

Smart, timeless and ... forward thinking. Come see for yourself! The Parade of Homes runs March 2 - 24. All homes are open Thursday - Sunday, 12:00 pm - 6:00 pm. The *Green Dream Home* is property #41 on the tour, located at 17 Meadow Lane N. in Golden Valley. Stop by, we'd love to give you a tour! (Note: There is a \$5 entrance fee charged at all Dream Homes. Why? Read on below.)

The *Green Dream Home* is for sale. [Contact](#) DiGiacomo Homes & Renovation for information, [visit our website](#), or stop by during the [Parade of Homes](#) to learn more.

COMMUNITY GIVING: DREAM HOME BUILDS FOR OTHERS

What Is a "Dream Home" and Why the Entry Fee?

The Builders' Association of the Twin Cities (BATC) Foundation designates three parade entries as "[Dream Homes](#)" each season. (This year, there are 374 new homes on the Spring Parade of Homes.) A \$5 entrance fee is charged at each of the dream homes to raise funds for the BATC Foundation. The [BATC Foundation](#) builds, remodels, and repairs homes throughout the Twin Cities for low-income families in need. Our 2011 *Green Dream Home* raised more than \$10,000 for the BATC Foundation. Help us do it again!
