DESIGN/BUILD REVIEW

REMODELING: ARTISTIC ENDEAVOR

"Rocky and Gigi recently remodeled our master bathroom. Rocky had great suggestions to increase the functionality of the bathroom without changing the footprint. The interior design choices from Gigi were impeccable. Rocky and Gigi were excellent at communication; working with them was easy and fun. We love the results!" - Homeowner, Minnetonka, MN

This bright open master bath is simply arranged and artistically adorned. When discussing project finishes, our clients instructed us to "keep it neutral" for resale but confided to liking "a bit of sparkle." We designed a tailored bath with subtle Hollywood Regency styling in a soothing tonal palette. A tumbled, irregular glass mosaic was selected for the feature wall to infuse the space with a bit of interest and glam. Natural sunlight bathes this tile wall allowing it, literally, to shine.

This master bath was honored with a silver [2017 COTY award](#) (Contractor of the Year) for design and construction in the bath category \$50,000 - \$75,000.
