DESIGN/BUILD REVIEW

VOLUME 19, ISSUE 4

PLAN AHEAD WHEN REMAKING YOUR HOME BEFORE THE HOLIDAYS

It's that time of year. Labor Day marks the cut off date for initiating new projects that can be completed in time for the holidays. Designing and remaking almost any space - even simple furnishing projects - typically takes 3-4 months. Custom furnishings, such as a USA-made sofa covered in beautiful antiqued leather or durable, pet-friendly Crypton fabric, will take 12-14 weeks to arrive in your home from the time the order is placed. And a beautiful, crackled ceramic tile from Italy needs 8-10 weeks to ship from overseas before it can be installed in your new bath or kitchen. That's why we encourage planning ahead and getting a start now if you'd like to remake any space in your home before the holidays hit. Begin the design phase with DiGiacomo Homes now and you'll be celebrating in a new space by Christmas! DiGiacomo Homes offers the first design consult in your home at no cost.
