DESIGN/BUILD REVIEW

VOLUME 17, ISSUE 3

MARK YOUR CALENDARS FOR THE ASID KITCHEN TOUR!

DiGiacomo Homes will feature two Minnetonka projects on the **ASID Kitchen Tour** this spring **Saturday, April 22nd - Sunday, April 23rd**. Mark your calendars - you won't want to miss this event. The main level and kitchen at both homes will be open for touring as well as a newly remodeled master bed-bath suite at one of the projects. Details to follow in next month's Design-Build Review!

REMODELING

FRESH THIS SPRING: OPEN VANITIES FOR THE MASTER BATH

We love the simple, clean look offered by open vanities like the one custom designed and built by DiGiacomo Homes above. This open vanity, combined with a monochromatic, bright white palette for most surfaces, visually enlarges this master bath's tight footprint and offers a clean, pleasing aesthetic.

Not sure if an open vanity is the right choice for your project? Check out the [HOUZZ article](#), "How to Know if an Open Vanity is for You," describing the pros and cons of an open vanity. The biggest con, not surprisingly, is the potential lack of storage. We addressed our client's storage needs in the above master bath by including: 1) extra deep, built in shelving behind the custom mirrors (fitted with outlets for charging shavers and other beauty appliances); and 2) a large linen closet just around the corner with ample storage for towels and toiletry items.
