VISIT TWO MINNETONKA PROJECTS DURING THE 2017 ASID KITCHEN TOUR

Two DiGiacomo Homes kitchens will be open for touring later this month as part of the ASID Designer Kitchen Tour. One kitchen is a **soft contemporary** (featured above), the other a **transitional Craftsman**. What do both projects have in common? Loads of built-in storage, beautiful finishes, and the exceptional craftsmanship you expect from DiGiacomo Homes. Our company was awarded the National Association of the Remodeling Industry's **Contractor of the Year Award for both projects**.

And, we'll be showing off **more than kitchens!** The contemporary includes a **recent addition** and remake of the **living room, laundry, powder bath, and mud entry with lockers**. The Craftsman features a **library-dining addition, new laundry, pantry, kitchen desk/drop zone and mud entry with lockers**. As a bonus, this home's **newly remade master suite** will also be on tour. There's a lot to see! All design work, interior finishes, furnishings and construction is by DiGiacomo Homes.

The two projects are located within the same neighborhood, near 394 and Hopkins Crossroads, so you can easily visit both. Designers and company owners, Rocky and Gigi DiGiacomo will be on hand to answer questions and discuss any upcoming projects at your own home. For more information about the tour and for directions, visit the [ASID 2017 Designer Kitchen Tour website](#). See you there!
